## Education

### Software Engineering

SMK Plus Pelita Nusantara • Cibinong  
07/2023

---

## Experience

### DevFest 2024

Google Developer Groups (GDGs) • Bogor City  
11/2024

DevFest is a global developer conference hosted by Google Developer Groups (GDGs) worldwide. These community-organized events focus on learning, building, and connecting with fellow developers and tech practitioners. They offer a variety of activities, including technical talks, workshops, and networking opportunities.
